- Speeding signs - £1600-1800. Mains supply an extra £400-500. Signs showing how fast the driver is going around £2500. Solar powered signs £3000+. The community council would be responsible for ongoing costs.
- Allotment/community garden – D Smith had approached Victoria Hall Committee who were broadly supportive. They would like to see details. They have more reservations re allotments but were favourable towards a picnic/BBQ area.
- D Smith had draft wording for the next edition of Round Up.
- Defibrillator – D Smith had approximated footfall of Victoria Hall at around 300 per week. Clerk to chase South Hook LNG re their defibrillator programme.
